

MAY DINNER RUN TO HARDWOOD STEAKHOUSE

Fifteen corvettes and thirty club members enjoyed the May dinner ride to Hardwood Steakhouse in Covington. The weather cooperated and provided a great ride from west Ishpeming. The staff did a great job providing us with tasty appetizers for the social hour along with cold drinks. The food was great and everyone enjoyed the new location. Our resident burnout specialist entertained us on the way across the highway to the local ski hill where we lined up for a farewell picture with the sun setting in the west. A perfect end to another successful LSCC monthly dinner ride.
